**International Ewing Spring Meeting 2020**
**20th of April 2020**
**VIRTUAL MEETING**

## AGENDA for the Online Meeting

As communicated before we will have an online meeting this time. The agenda has been shortened. We invite all people who had planned to present data and projects to send a narrated PowerPoint or a video presentation. The presentations will be available by a secure cloud system. Please be aware that the online meeting will start early in the morning 8 am CET. This allows the participation of our colleagues from down under.
